Case No. 1:21-cv-01567-ADA-EPG

ORDER RE JOINT STIPULATION FOR  
AN ORDER EXTENDING THE  
DISCOVERY DEADLINES BY FOUR  
WEEKS

(ECF NO. 40)

18 This matter is before the Court on the parties' joint stipulation to extend certain case  
19 deadlines by four weeks. (ECF No. 40). As grounds, the parties state that they had deferred  
20 depositions until resolution of the related action, which was dismissed with prejudice on  
21 December 9, 2022. Accordingly, they have only recently begun to schedule depositions and  
22 conduct additional written discovery. Given the delay in commencing certain discovery, they ask  
23 for a four-week extension of the deadlines for nonexpert discovery, expert designation, rebuttal  
24 expert designation, and expert discovery. They do not ask to extend the dispositive motion  
25 deadline or the dates for the pretrial conference and trial.

26 Pursuant to the parties' joint stipulation (ECF No. 40), IT IS ORDERED that the Court's  
27 scheduling order (ECF No. 38, *see* ECF No. 21) is modified as follows:  
28

1. Non-Expert Discovery is due by February 24, 2023<sup>1</sup>;
2. Designation of Expert Witnesses is due by March 24, 2023;
3. Rebuttal Designation of Expert Witnesses is due by April 25, 2023; and
4. Expert Discovery is due by May 25, 2023.

5 All unmodified deadlines, dates, and provisions of the Court's scheduling order remain in  
6 place.

7 IT IS SO ORDERED.

8 Dated: December 27, 2022

28 <sup>1</sup> The parties propose February 25, 2023, for the non-expert deadline and March 25, 2023, for the  
designation of expert witnesses deadline. Because both dates fall on a Saturday, the Court has moved the  
deadlines up by one day.
